

Level II Coach Training Intensive

Course Details:

Take your coaching skills to a new level with the interactive *Level II Coach Training Intensive*.

Created by a master coach trainer, this two-day workshop uses live coaching demos, debriefing and lots of practice with feedback to give you the confidence and competence to start coaching today. You'll focus on each of eight key coaching skills, then put them all together in two full-length practice sessions.

The course includes the book, *Coaching Questions*.

"Coaching really came to life for me with the extended practice sessions. In fact, on Wednesday I had a meeting and was able to utilize a lot of the stuff learned from the Tuesday session. It was awesome!"
