

Take a few moments and respond to the following questions:

1. What are you asking God to reveal to you? What would you like the outcome to be?
2. On a scale of 1-10 what's your current level of sight? One being totally blind and ten being 20/20 vision.
3. What have you done up to now to gain clarity?
4. What would you define as your call at this point in your ministry/leadership?
5. Why do you think God has you where you are right now?
6. How has God brought revelation to you in the past?
7. What do you see Him doing right now? What do you sense He's asking of you?
8. If you could change anything about your situation, what would that be?
9. What obstacles do you feel are getting in your way?
10. Who do you know in your life that would be willing to help you get some clarity?
